Below is a representative example of possible interest costs and instalment amounts if the quote were to be paid via finance from TradeHelp and one of the lenders with whom they work. Finance starts from 5% APR, but the figures below are based on a representative APR of 9.9% and the actual payment may be higher or lower depending on your application and status.

REPRESENTATIVE EXAMPLE

Item Value (Cash Price)	£2500.00			
Total Amount Of Credit	£2500.00			
Duration Of Agreement	2yrs	3yrs	4yrs	5yrs
Representative APR	9.9%	9.9%	9.9%	9.9%
Monthly Repayment	£114.80	£80.06	£62.78	£52.48
Total Amount Payable	£2754.32	£2882.13	£3013.63	£3148.82

NO DEPOSIT NEEDED

If you wish to spread the cost of your new [boiler/ Bathroom], Dowlais Heating Ltd also carry out installations on behalf of TradeHelp. TradeHelp can offer monthly repayments through leading UK finance providers over 2 – 5 years. There is no deposit required and no penalty for early settlement. TradeHelp acts as an installer and loan broker and can't offer advice so, if you're not sure about what is best for your own financial situation, you might want to seek independent advice.
